(17) „ Singrachar, Kunigal.

ABSENT.

Non-official Members.

Mr. G. Ramaswamiah, Kunigal.

I. Read the audited monthly District Fund accounts of receipts and expenditure for the months of January, February and March 1907.

Passed.

II. Read General and Revenue Secretary's docket No. 6002, dated 3rd January 1907, requesting to be furnished with a list of villages at which the Board propose to open Branch Dispensaries; and the resolutions of the marginally noted Taluk Boards on the subject.

(1) Tumkur.
(2) Maddagiri.
(3) Sira.
(4) Tiptur.
(5) Chiknayakanhalli.

Resolved that the branch dispensaries are needed at the villages of (1) Uradagere, Tumkur Taluk, (2) Midagesi, Maddagiri Taluk, (3) Bukkapatna, Sira Taluk, (4) Honnavalli Tiptur Taluk, (5) Kandikere, Chiknayakanhalli Taluk. The Board would find it difficult to bear the cost of these dispensaries until some means can be found to meet some part of their expenditure in Public Works. They would request that the cost of medicine and the travelling allowance of the Hospital Assistant be met from the Medical budget.

III. Read Government Proceedings No. 7209-49—G. R. 17-06-1, dated 22nd May 1907, forwarding the Dasara Calendar for 1907.

Resolved that Messrs. G. Sivaramaiya of Maddagiri and Vembar Venkata Narasimhachar of Pavagada represent the Board at the ensuing Dasara Representative Assembly.

IV. Read the schedule of rates prevailing in the district; and the General and Revenue Secretary's docket No. 947—L. B. 423-06-5, dated 1st August 1907, enquiring whether the rates have been approved by the Board.

Resolution.—The rates noted in the schedule are approved.

V. Read Senior Surgeon's Medical Circular No. 7205—7344, dated 7th June 1907, *in re* Hankinizing wells.

Resolved that a Kanarese translation of the circular be furnished to each of the members so that they may explain it to the people.

VI. Read Executive Engineer's docket No. 12, dated 10th January 1907, stating that on certain roads* the traffic is very heavy, that their mileage grant should be increased to Rs. 200 a mile, as otherwise the roads will soon get so bad that a heavy initial outlay will be necessary to bring them to formation and proposing that the additional funds required be raised, if necessary, by establishing toll-gates; and Gubbi Sub-Division Assistant Commissioner's yadi No. 753, dated 3rd May 1907, forwarding Tiptur Taluk Amildar's report submitting Taluk Board's resolution *in re* the increase of the present mileage grant of the District Fund roads in that taluk.

*(1) Kibbanahalli-Huliyar road.
(2) Do Turuvekere do
(3) Cart-track from Chiknayakanhalli to Madanamadu.

Resolution.—With a view to secure funds for increasing the present mileage grant of District Fund roads on which the traffic is heavy it would do for the present to have toll-gates on the roads to Banasandra Railway Station.

VII. Read letter dated 27th May 1907, from Revd. W. B. Trewhella, stating that the well is proposed to be sunk near the compound hedge at the back of the church at Gubbi, at an estimated cost of about Rs. 350 and that the well is intended for the Christian families at present living in and near the said compound and also for those who are about to live there. The Revd. W. B. Trewhella asks for a contribution of Rs. 150.

Resolution.—According to khaneshumari the population in the Mission bungalow compound and near the church is 49, but according to the statement of the population themselves it is 105. There are some wells about the place which the Mission or the people can deepen. As there are many large villages which are yet to be provided with wells, and as there is already a large drain on the resources of the Board, it is regretted that Mr. Trewhella's proposal cannot be complied with now.

VIII. Read Maddagiri Sub-Division Assistant Commissioner's yadi No. 1607, dated 12th May 1907, submitting for orders Koratagere Deputy Amildar's report proposing that the old and dilapidated chavadi that is obstructing the public drain in Holavanahalli Union may be sold by auction, and that a new chavadi be built in a separate place.

Resolution.—Approved.

IX. Read Tumkur Taluk Amildar's report No. 448, dated 24th June 1907, reporting that there is no income from the cattle-pound at Singrihalli village, Uradagere Hobli, and that it may be abolished and transferred to Honasigere village, where the shanbhog and patel have executed a mutchalika to build a new cattle-pound.

Resolution.—Approved.

X. Read and approved the list of District Fund works sanctioned during the months of May and June 1907.

XI. Read and approved list of estimates for works received from the Executive Engineer Tumkur Division, countersigned by the President.

XII. Read the list of District Fund works that remained incomplete on the 30th June 1907.

Resolved that the list be forwarded to the Secretary to Government, General and Revenue Departments, for obtaining the sanction of Government.

XIII. Read and recorded Government Proceedings No. 478-87—L. B 127-06-7, dated 15th July 1907, directing that questions pertaining to the extension or shifting of villages and the creation of new ones be dealt with by the Revenue agency direct without the intervention of the District Boards.

XIV. Resolved that the next meeting of the Board be held on the 27th September 1907 at 3 P.M.

M. SRINIVASA MURTI,
For *President.*
